## **New Jersey Foundation Donates Trees And Perennials**

**WHO:** Charles Sumner Elementary School

**WHAT:** New Jersey Tree Foundation will be donating 15 trees and hearty perennials. Students and volunteers from this school, the Camden County Volunteer Center and the Camden Children's Garden will participate.

**WHERE:** Charles Sumner Elementary School

**WHEN:** October 6, 2008 at 9:00 a.m.

**BACKGROUND:** The New Jersey Tree Foundation is a statewide, non-profit organization dedicated to the promotion, enhancement and development of urban and community forestry activities. The Urban Airshed Reforestation Program is an air quality improvement program based on tree planting and urban forest health and restoration.

This tree planting will be the first in this community. In fact, at this event, the Tree Foundation will plant its 3,000th tree!

For more information, call Janis Kauffman at (856) 966-8908.
