Public Hearing On School Construction Set

Who: State Senator Dana Redd, Chair, Joint Committee
on School Facilities and Construction
Camden City Public Schools
State Schools Development Authority

What: Public Hearing on Funding School Construction

Where: Camden High School
Park Blvd. and Baird Blvd.
Camden, New Jersey

When: Wednesday, October 8, 2008
11:00 am - 1:00 pm
In the Auditorium

Background: State Senator Dana Redd will focus the Public Hearing on the \$221 million allocation for renovation and renewal of Camden City Schools and other schools in the surrounding 5th Legislative District. Testimony is open to the public, and will involve students from the Camden High Schools at the site and through distance learning technology in the classrooms. Department of Education Commissioner Lucille Davy and CEO of the School Development Authority (SDA) Scott Weiner will give an overview of projects for the hearing panel.
