District Response Plan to Health-Related Concern

March 2020
Family and Community Guidance
Overview

We have been closely monitoring the news regarding the spread of the coronavirus disease (COVID-19). After much consideration, and as a precautionary measure to prevent potential exposure to COVID-19 among our school community, we have decided to close the Camden City School District for two weeks, effective Wednesday, March 18, 2020. **The District will be closed from March 18, 2020 to March 31, 2020.**

Families and community members can use this document as a guide and hopefully one-stop location to get information about what you can expect and what you can do during the days of closure.

What is social distancing? Learn more [here](#)!
This guide will tell you how the District will:

- **Communicate** with you each day of the closure
- Ensure that your child **receives instruction** each day of the closure
- Ensure that you have **access to meals** each day of the closure
- Ensure that all schools are **ready for teaching and learning when the District reopens**
If the District is closed due to the health crisis, you will receive at least one call each day of the closure.

The call is to remind you and your child that the day of closure is not a rest day, but rather a “Remote Learning Day.”
K-8 Home Instruction

- All students will receive instruction
- Your school principals (and teachers) will provide you access to digital and print resources
- Each student will receive a hard copy of the home instruction work
- Students will be required to complete this plan in the event of a 14-day closure
District Response Plan

- All students will receive instruction
- The plan is fully digital and should be completed through Google Classroom
- Students who do not have access to technology will receive a hard copy of the home instruction work
- Students will be required to complete this plan in the event of a 14-day closure

Guidance: Home Instruction 9-12
The Camden City School District in partnership and collaboration with other Camden City school leaders and providers will sponsor breakfast and lunch meals at the following locations in the event of a health-related districtwide and/or citywide closure. All students, regardless of the school they attend in the city, is welcome to visit any of the participating sites to receive food. Starting Monday, March 16th…
All students, regardless of the school they attend in the city, is welcome to visit any of the participating sites to receive food. Starting Monday, March 16...
